

CHRISTIAN SERVICE OPPORTUNITIES FORM

Due Date is April 21 at class.

Name of Candidate: _____

Confirmation candidates are strongly encouraged to perform Christian service projects throughout your Confirmation journey. We ask that each candidate participate in a minimum of *four* service projects which can be within our parish and the community. Although we will be offering five service opportunities held after the class as indicated on the 9th grade schedule, we highly encourage each candidate to look for community service opportunities outside of the planned class service projects. We hope this will motivate candidates to continue community service after Confirmation.

***Projects completed with class do not need to be listed.
Please clearly print.***
