

Grade 1 and 2 Individual Assignment

1. Listen to the video .

2. Read: Jesus is God’s son. God sent Jesus to Earth to live with us and to teach us all about Love and how to Live. Jesus loves each and every one of us. We can always pray and talk to Him. Jesus told us how we can make Him and other people happy. He said that the very best thing we can do is to Love One Another. He means that we should LOVE our family and friends but also help other people who may be sad or are having a hard time.

3. Answer this question : How can you show this Love?

You can help with chores around the house. You can be a good friend to other children at school or in playgroups. You can help your parents or your teacher. You can give some of your toys and books to a boy or girl who does not have many. There are so many ways that you can share love and happiness. Talk about this with your parents or grandparents: how do they think you can spread love?

What is one way that you can show love to others? Write your idea down below. Try to do that this week!

4. Make a card for someone : One way you could make someone happy is to make a card and give it to someone. It could be somebody who is sad or lonely, or a person that you just want to cheer up. Find some paper and markers or crayons and make a card for that person. Give the card to them or have one of your parents or grandparents, help you deliver or send that card. When you make someone else happy, you are sharing the love of Jesus and making God happy too!
