

Grade 5/ 6 October Assignment

We are all asked to build a relationship with Jesus and follow his ways. When we follow Jesus, we act as a disciple of Christ. The 12 original disciples were: Matthew, Thomas the Apostle, Philip the Apostle, Bartholomew, Simon Peter, Andrew the Apostle. James the Great, Judas Iscariot, John, Simon the Zealot, James, son of Alpheus, Matthias and Nathanael. These men were the foundation of what is today the Catholic church. They were very diverse and held different jobs and came from different places. What they did have in common is that when Jesus called them, they all left what they were doing to follow Him. He asked them to spread the word of who He was; to start the church; and to serve others. In turn Jesus asks us all to be disciples too: He asks us to pray to Him; to have faith : To serve him by helping others; and to spread the word of Jesus and our own faith
